Jim Becker, VP of Amtelco

Dear Jim,
As per our recent discussions, we received a communication from the U.S. Patent and Trademark Office (PTO) requesting that we submit a copy of the manuals for your XDS/MVIP conference board, if such manuals are available.

You proceeded to search your records, but were unable to find such a manual. I would like to thank you again for searching for us.

As we discussed, I am send this e-mail to you to make a record that I can submit to the PTO to establish that we spoke and that you have confirmed that the manuals are not available.

Please respond to confirm.

Thanks,

-Joe
